Kamloops 📍

SUMMARY

I am a teacher candidate with a Bachelor of Science in Mathematics currently completing my final courses at Thompson Rivers University in Kamloops before relocating to Vancouver. I have experience with planning and teaching mathematics lessons according to the BC curriculum, as well as supporting diverse learners and assessing students' progress to inform my teaching. I believe that a safe and inclusive classroom is important to ensure that all students feel welcome and accepted.

TEACHING EXPERIENCE

Sahali Secondary School Kamloops, BC

Teacher Candidate

2026/02/23 - 2026/05/15

- Planned and delivered math lessons aligned with the BC curriculum for Math 9 and Workplace Math 10.
- Used various games and activities to check student understanding.
- Adapted instruction to support diverse learners and a wide range of ability levels.
- Built strong relationships with students to support engagement and participation.
- Used diagnostic, formative, and summative assessment tools to monitor and guide student learning.
- Collaborated with my teacher mentor to support the classroom instruction and management.
- Incorporated UDL strategies into each lesson.

Kamloops School of the Arts Kamloops, BC

Teacher Candidate

2025/11/17 - 2025/12/12

While teaching one week of Pre-Calculus 11, and one week of Math 8 in my second practicum, I focused on improving my classroom management strategies, perfecting the structure and timing of my lessons, and ensuring content was useful for students.

Norkam Secondary School Kamloops, BC

Teacher Candidate

2025/09/02 - 2025/09/12

During my first practicum, I practiced building relationships with students, delivering lessons confidently, and dealing with behaviours effectively while teaching Mathematics 10.

PROFESSIONAL EXPERIENCE

Server/Bartender - McCracken Station Pub

2025/12 - Present

- Developed strong communication and multitasking skills in a fast paced pub environment.
- Handled customer concerns and resolved conflicts.
- Worked with coworkers to maintain efficient service and daily operations.

SUBJECTS

Mathematics

Math 8, Math 9, Workplace 10/11, Pre-Calculus 11.

EDUCATION

Bachelor of Education

Thompson Rivers University

Expected June 2026

Bachelor of Science with a Major in Mathematics

Thompson Rivers University

Graduated December 2023

STRENGTHS

Student connection & engagement

Excels at building relationships with students and creating engaging lessons based on student interest

Differentiated instruction & UDL

Adapts to meet the needs of various learners as necessary

Safe & inclusive environment

Creates a classroom environment to ensure students feel welcomed, safe, and cared for in the classroom
