

May 8, 2026

To Whom it May Concern,

I had the pleasure of working with Kiana during her final 10 week practicum at Sa-Hali Secondary. Throughout this period, Kiana demonstrated professionalism, enthusiasm and dedication to improving her teaching abilities. Kiana's genuine passion for education shines through and she is well on her way to becoming an effective educator.

Kiana invested time in building a strong rapport with her students, helping to create a classroom environment where students felt comfortable, engaged and focused. She effectively used student questions as opportunities to spark discussion, making the material more relevant to learners. During her practicum, Kiana took on the challenge of teaching 2 different courses, Math 9 and Workplace 10/11. Managing multiple courses required a high level of organization and preparation and she consistently demonstrated both. Kiana delivered lessons effectively and dedicated additional time to ensuring her lessons were well planned and purposeful. In Math 9, she frequently reflected on and adjusted her lessons to improve their effectiveness for the other class. Her lessons were creative, engaging and designed to appeal to a variety of learning styles.

Throughout her practicum, Kiana was receptive to feedback and open to trying new strategies to strengthen her teaching practice. She continues to build confidence and skill in classroom management and has made noticeable progress in this area throughout her practicum. She actively sought feedback, reflected on her experiences and implemented strategies to create a more structured and positive learning environment. Kiana demonstrates a commitment to supporting student success and a willingness to continue learning and growing as an educator.

Kiana is a dedicated educator who is invested in student learning. If you require any further information or have any questions, please feel free to reach out to me (250) 819-7769.

Sincerely,

Gillian Emery
